Dear Parents / Guardians

This letter contains information regarding textbooks that learners will need for 2024. It is important to obtain textbooks and stationery as soon as possible because teaching and learning will start on the first day of school next year.

Textbooks for some subjects will be supplied to learners on the condition that they are returned in good condition at the end of the year. If these books are lost or damaged, parents need to take responsibility to replace them.

The books that must be purchased by parents are indicated in the table below.
