

ROOSEVELT HIGH SCHOOL

GRADE 8

NOVEMBER 2025 - EXAM SCOPE

English	Afrikaans	Mathematics
• Comprehension • Summary • Advertising • Cartoon • All language	Afdeling A: Leesbegrip (20) Afdeling B: Visuele begrip (10) Afdeling C: Opsomming (10) Afdeling D: Taal (20) • Woordstrukture • Meervoude en Verkleining • Woordsoorte • Sinstrukture: • Woordorde (STOMPI) • Verlede tyd • Toekomende tyd • Voegwoorde • Direkte en Indirekte rede	Paper 1: • Exponents • Number patterns • Functions and relationships • Graphs • Algebraic expressions • Algebraic Equations Paper 2: • Geometry of straight lines • Geometry of 2D shapes (triangles and quadrilaterals) • Pythagoras • Area and perimeter
Life Orientation	EMS	Natural Science
• Development of self in society (Term 1) • World of work (Term 1,2&3) • Physical Education (Term 1) • Health and social and environmental responsibility (Term 2&3) • Constitutional rights and responsibilities (Term 3&4)	<u>Business:</u> 1. Forms of Ownership 2. Levels and Functions of Management 3. Markets <u>Accounting:</u> 1. General Ledger 2. Trial Balance 3. CPJ 4. CRJ	• Scientific Skills • Static Electricity • Energy transfer in electrical systems • Series and parallel circuits • Visible light • The solar system • Beyond the solar system • Looking into space

ROOSEVELT HIGH SCHOOL
GRADE 8
NOVEMBER 2025 - EXAM SCOPE

Social Science	Technology	Creative Arts
• Geography: Module 5: 1,2,4 ○ Module 7: 1,2,3 • History: Module 6: Unit 1 and 2 ○ Module 8: Unit 1, 4	<u>Term 1</u> 1) Frame Structures a) Structures that span over space, Structural failure 2) Mechanical Systems and Control a) Mechanical Systems and Mechanical Advantage, Wedges, Wheels and Axels, Gears and Gear systems, Cams, Cranks <u>Term 2</u> 1) New and Improved Materials a) The positive impact of technology on society and the environment 2) Recycling a) Technology with a positive impact on society b) Packaging <u>Term 3</u> 1) Levers and Linkages a) All types of levers (first-class, second-class and third-class) 2) Gear systems a) Different types of gears, Mechanical advantage of gears, Force vs Velocity 3) The impact of Mining on society a) Positive impacts of mining, Investigating impacts of mining <u>Term 4</u> 1) Simple circuits 2) Sources of electricity a) Energy Sources, Electrochemical cells and photovoltaic cells 3) National Electricity Generation a) Sources of energy for generating electricity <u>Extra</u> 1) Isometric drawing	<u>PAPER 1:</u> <u>DRAMA</u> 1. Drama elements page 119-131 2. Chapter 2 pages 133-139 3. Chapter 6 page 168-171 4. Chapter 7 page 188-189 5. Technical resources in a performance: pages 197-199 6. Media in drama: pages 230-237 <u>VISUAL ARTS</u> 1. Art elements page 405-422 2. Chapter 1 page 394-404 3. Chapter 3 page 424-428 4. Chapter 6 page 445-457 5. Fashion through the ages: pages 450-457 <u>PAPER 2:</u> Visual Art Drawing

ROOSEVELT HIGH SCHOOL

GRADE 9

NOVEMBER 2025 - EXAM SCOPE

English	Afrikaans	Mathematics
• Comprehension • Summary • Advertising • Cartoon • All language	Graad 9 - GEC Afrikaans Eksamen (Totaal 70 punte) Afdeling A Begripstoets (25) Afdeling B Visuele Teks (5) Afdeling C Opsomming (10) Afdeling D Taal (30) • Direkte en Indirekte rede • Lydende en Bydrywende Vorm • Sinonieme en antonieme • Homonieme en homofone • Spelling • Intensiewe Vorme • Trappe van Vergelyking • Meervoude en enkelvoud • Letterlik en Figuurlike betekenis • Idiomatiese uitdrukkings • Voegwoorde • STOMPI • Afkortings • Leestekens • Skryf die getalle uit in woorde • Ontkennende vorm	• Number systems, Integers, Common Fractions • HCF and LCM • Exponents • Algebraic Expressions • Algebraic Equations • Factorisation • Algebraic Fractions • Functions and Relationships • Rates, Ratios, Financial Maths • Number Patterns • Graphs
