Dear Parents / Guardians

This letter contains information regarding textbooks that learners will need for 2024. It is important to obtain textbooks and stationery as soon as possible because teaching and learning will start on the first day of school next year.

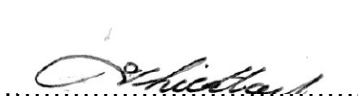

Textbooks for the core subjects (Afrikaans, Mathematics, Life Orientation, Natural Sciences and Creative Arts) will be supplied to learners on the condition that they are returned in good condition at the end of the year. If these books are lost or damaged, parents need to replace them.

The books that must be purchased are priced in the table below and can be purchased directly from the school (at the front office) however only a limited stock is available. Alternatively, books can be purchased from the school's supplier, A Plus Connection at 011 443 7571 or [info@textbooksdirect.co.za](mailto:info@textbooksdirect.co.za).
